PRESIDENT'S LETTER

Kathy Ader
President
Columbia Hills

Dear Members and Volunteers of the Cleveland Women's Golf Association,

It is with great pride and honor that I write to you today as the president of our organization, on the occasion of our 100th anniversary. This is a momentous milestone that we have reached together, and I want to take this opportunity to express my deep gratitude and appreciation for each and every one of you in addition to those that came before us.

Your hard work, dedication, and support have made this celebration possible. Your commitment to the growth and development of the Cleveland Women's Golf Association has allowed us to provide opportunities for women to enjoy the game of golf and to create a community of strong and supportive female golfers. I cannot express enough how much I appreciate the efforts of our volunteers and the unwavering support of our members.

As we gather this summer to celebrate this remarkable achievement, I want to encourage us to continue working together to ensure that the Cleveland Women's Golf Association remains a thriving and vibrant organization for generations to come. Let us celebrate this historic occasion and look forward to an even brighter future.

Sincerely,
Kathy Ader

CWGA 100th ANNIVERSARY—STILL GROWING

1923-2023

At the Women's City Club, on April 18, 1923, Mrs. F.H. Wilson of Shaker Heights Country Club presided over the organizational meeting of the Cleveland Women's Golf Association. The following clubs became charter members: Canterbury, Country, Kirtland, Willowick, Mayfield, Oakwood, Shaker Heights, and Westwood. The first yearbook was printed in 1931 and contained the constitution adopted that year. By the terms of this constitution, the public courses (Sleepy Hollow, Pine Ridge, Spring Valley, Aurora, Lorain, and Madison) were no longer eligible for membership. Article 3, Section 2 of this constitution designated the 8 charter member clubs as the "Active Division", and all other clubs were eligible for the "Associate Division." The constitution adopted prior to 1945 provided for "a federation of the local women's golf associations of Greater Cleveland." The constitution as amended in 1945 provided that "properly organized clubs located within a radius of 25 miles of Public Square shall be eligible for membership and that a woman with non-residence status shall not be eligible for participation in CWGA tournaments." In 1956, at the annual meeting, amendments to the CWGA constitution were proposed that would set forth provisions for both the Active and the Associate Divisions. The latter provision would set out the requirements for those clubs whose organization did not meet the CWGA constitution requirements for the Active Division. The amendments were not approved. As a result, Aurora, Columbia Hills, Manakiki, Pine Ridge, and Sleepy Hollow formed a new organization.

TEAM PLAY RULES

MISSION STATEMENT: The purpose of Team is to provide a competitive environment for each club's best players.

Team Play Rules

Five players will comprise a team. There will be only one division with five rounds of match play competition. Each of the Teams competing will play one another once during the season. Team Play position for the current year is determined by the previous year's final standings. Eighteen points will be available in each two-person contest (1 point for winning a hole, ½ point for tying a hole, and 0 points for losing a hole).

The winner each season will be the Team with the highest number of points after all rounds have been played. The runner-up will be the Team with the second highest total points.

In case of a tie for the first and second places, five sudden death matches will be played that day. Play will be in twosomes by position. (Position 1 player of Team A vs. Position 1 player of Team B, Position 2 vs. Position 2 etc. through Position 5) The club pro will designate the starting hole. Play will continue until there is a winner in each of the five twosomes, and the tie is broken. Both the winner and runner-up will receive the designated traveling trophies and a permanent plaque commemorating the standing.

Any other ties, other than between 1st and 2nd place, will be broken based on the total points earned among those team's matches. The team with the higher total points earned during their match will be awarded the higher finish. Ex: Team A and Team B are tied – compare the total points earned for the contest between the two teams. The team with the most points wins the higher finishing position.

In addition to the overall winner and runner-up, permanent plaques will be awarded for third, fourth, and fifth place Teams. The Most Improved Team, determined by its final standing with regard to the previous year's standing, will also receive recognition.

Team Captains

Team Captains must submit their lineups to the Team Manager via Google Sheets by noon on the Sunday before the Thursday's play. As with other CWGA tournaments, each player must be an amateur, a

dues-paying member of CWGA and a dues-paying member of her club's women's golf organization.

Players on each team are to be seeded according to their Handicap Index (using indexes from Friday prior to Thursday's play). If Team members have identical Handicap Indexes, the differential must be used to determine position. Handicaps Indexes will be checked and approved before starting matches.

Any last-minute changes occurring the morning of Team Play should be reported to the check-in table no later than 45 minutes before the stated shotgun start time. If a Team is able to declare a substitute, she will be inserted into the team's line-up based on her Handicap Index from the preceding Friday which may cause other players to shift positions. If a substitute cannot be declared, a forfeit shall occur in the position she was to play; other players do not move up. There will be no changes or substitutions to a line-up within 45 minutes of the stated shotgun start time.

Arrival time, Start time, Late Arrival Time

For an 8:30 Shotgun start: Players must check in by 7:45 AM. Players must assemble by their bags at 8:15 AM for final instructions and dispatch to holes.

For a 9:00 Shotgun start: Players must check in by 8:15 AM. Players must assemble by their bags at 8:45 AM. for final instructions and dispatch to holes.

A player arriving late will lose as many holes as her group has played at that time. Any player having to withdraw during the course of play will receive credit for the holes played and will default the balance.

Forfeit(s)

Whether it is one Team player or more, a forfeit shall result in the opponents receiving $\frac{2}{3}$ of the available points. No one will receive the remaining $\frac{1}{3}$ points.

Weather

All players must report to the club where play is scheduled, regardless of weather or presumed playing conditions. The Team Captain will report immediately to the Team Manager and all players will remain until a decision has been made regarding delay or postponement. The

Head Professional and/or Course Superintendent will determine if course and weather conditions prohibit the start or continuation of play.

If the contiguous delay is longer than 2 hours, the match will be postponed for that day. If 18 holes have not been completed by each player, every effort will be made to reschedule an 18-hole match on the same course, or another if the original host course is unavailable.

However, if a reschedule is not accomplished during the same season, due to course or calendar availability, and every player has completed 9 holes or more, then points will be awarded for the first nine holes played in each match. If any player(s) has/have completed less than 9 holes, then no points will be awarded for that match.

Caddie Requests

In order to allow for fair competition within a foursome, caddies and carts will be assigned on a rotating schedule according to the team draw for that team play. Details of this schedule will be given to each Team Captain on an annual basis. The Team Manager will notify the Caddie Master of the Rotation.

Speed of Play

CWGA will have Rangers monitor the speed of play.

USGA RULES GOVERNING MATCH PLAY SHALL APPLY TO ALL MATCHES IN TEAM PLAY WITH TWO EXCEPTIONS:

Upon reaching the green, all balls shall be marked except the ball farthest from the cup. There will be no ball interfering with, or being of assistance to, any other player's ball. All putts must be holed out except when **ALL** players in the match agree to concede the putt.

A non-playing Team Captain or any other non-playing individual shall not be permitted on the course to give assistance and/or advice during an active match. Should a player need guidance regarding a rule during play, she shall call the host Pro Shop.

CWGA DISTRICT CHAMPIONSHIP

"We have such a fine organization, and I am proud to be a part of it. We are all aware of the continuing challenges some of our Clubs are having with membership stability. Our goal is to promote CWGA enthusiasm and participation. In the midst of this uncertainty, we encourage all members to express to friends from their Clubs and from other Clubs how fun it is to play in our events and not be so conscious of skill levels. CWGA is not based on tour parameters. Yes, we have our Championships, but we are intra-Club participants in this great game. With emphasis on enjoyment and interaction the CWGA board continues to listen to your ideas and suggestions and will strive to meet your wishes."

2022 CWGA DISTRICT CHAMPIONSHIP REPORT

Chagrin Valley Country Club

August 2-5, 2022

The only thing watched more closely than the leaderboard this year was the weather forecast! Although the predictions kept changing, it seemed certain that one or more days would be hindered by a 90% chance of rain. If you were not a believer in our superstition of burying a bottle of vodka on the course before the start of the tournament to ward off bad weather, you should be now. Although each day we were forced to have an alternate plan for rain, they were never needed. All players finished dry (and rather hot!) and in the pictures of the unearthing of the vodka you can actually see the storm clouds rolling in. Within an hour of the close of play on Friday the course was closed, patio umbrellas were airborne and golf balls were actually floating on the practice green.

We were excited to have a full field of 72 ladies sign up and take advantage of our new format that allowed players to choose whether or not to compete in the Championship Flight or to be seeded in one of the Non-Championship Flights by their Handicap Index. We had 18 players vying for seven available spots in the Championship Flight which made for an exciting opening day of play.

Each day the Players would leave the Club with a small favor left on the passenger seat of their car. Of note, all the favors were purchased from local shops in Chagrin Falls. Even the hand-blown glass that was presented to each of our winners in all flights was from Chagrin Falls. It made for a beautiful display at our award ceremony following conclusion of our tournament and a wonderful tribute to celebrate our local town.

Our final two players in the Championship Flight were Jami Morris of Beechmont Country Club and Joanne Vogt of Chagrin Valley Country Club. At the end of the day, Jami was crowned 2022 CWGA District Champion as well as being the medalist and the next keeper of the Alice Seagrave bracelet.

Chagrin Valley did a wonderful job of making us feel at home all week. A LOT of fun was had on the patio overlooking the 18th green as we cheered on our friends! We hope the fun and excitement will carry over to next year when Mayfield Sand Ridge Club hosts us for our Centennial District Championship!

CWGA TOURNAMENT RULES

Tournament Start Time

- USGA Rule 5.3a states that a player must be ready to play at the starting time and starting point set by the Committee. CWGA designates the starting time as the time that the carts are dismissed to their starting holes and the starting point as the cart staging area.
- A Player will receive a general penalty of two strokes if she arrives within five minutes of the carts being dismissed.
- She will be disqualified if she arrives at the staging area five or more minutes after the carts are dismissed, or later.
- No allowances or change of tee time will be made to accommodate a player's schedule.
- This policy is in effect unless stated otherwise.

the carts are released by the Host Pro.

Incomplete Grouping

- No individual may compete alone in an individual tournament.
- No twosome may compete alone in a partner tournament.
- Any designee of the Tournament Committee may act as a marker for an incomplete grouping.

Pace of Play

CWGA will have Rangers monitor the speed of play.

Discontinuance of Play; Resumption of Play

- The Host Professional and Course Superintendent will determine if the course and weather conditions prohibit the start or continuation of play. If the contiguous delay is longer than (2) hours, the Tournament will be postponed for that day or canceled.
- In Tournament events (non-Team) that are not able to complete the 18 holes, the Host Rep and Host Pro will make a determination on the outcome of the Tournament.
- If a player continues to play without specific permission from the Committee, she will be disqualified.
- If play is suspended and the players are in the process of playing a hole, they shall mark their balls, discontinue play immediately, and shall not resume play until ordered to do so. Penalty is disqualification.

Ties

- Except for Team and District Championship matches, all ties will be settled by a scorecard playoff per USGA guidelines.
- If there is still not a winner, a tie will be declared between players.

Caddies

- A player in a CWGA event may not employ her own caddie under penalty of disqualification. The only exception to this is District Championship, if the host club allows for outside caddies. A player may not employ a caddie from the Host Club.
- Caddies will be assigned by the Host Caddie Master or Pro Shop based on availability.
- If a caddie is in your group but not employed by you, you may ask for distance or general knowledge of the course, but you may not ask the caddie to read a putt.
- During a stipulated round, a player must not ask for advice from anyone other than her partner or either of their caddies. In stroke play, the penalty is two strokes. In match play the penalty will be loss of hole.

Carry of Bags

Not permitted.

Push Carts

Not permitted.

Distance Measuring Devices

- The use of stand-alone-devices or multi-functional devices is permitted for all CWGA Tournaments, Team Play, and Championship if they are used to measure distance only.
- The player may not use the device to gauge or measure other conditions, (e.g., wind, gradient, or to obtain any information that may aid in the player's club selection or decision-making process). The penalty is disqualification.

Championship Flight: For those who choose to qualify for the Championship Flight, the format will be as follows:

- A four-day tournament comprised of an 18-hole stroke play qualifying round on the first day followed by three days of match play.
- Results of the qualifying round will determine seeding and flighting for the match play rounds.
- If a player chooses to qualify for the Championship Flight, she must:
 1. Notify her intent when registering for the District Championship.
 2. Play in the stroke play qualifying round that will take place on Tuesday of the qualifying week.
- The Championship Flight will consist of eight players. The first seed in the Championship Flight will be reserved for the prior year's Champion.
- The seven lowest gross scores from the qualifying round will complete the flight. They will be seeded solely on the scores from the qualifying round.
- Ties for the eighth position of the championship flight will be determined by a scorecard playoff.
- If the previous year's Champion does not defend her title, the eight lowest gross scores from the qualifying round will be seeded solely on the scores from the qualifying round.
- The Flight will be final when scoring has been completed and any ties have been settled by a scorecard playoff.
- Those who do not qualify for the Championship Flight will be seeded in a non-Championship Flight. Seeding will be based on Handicap Index from the Friday before the event. The score from the Tuesday round will not have any impact on the seeding in the non-Championship Flights.
- The medalist from the qualifying round will receive the Alice Seagrave charm bracelet to enjoy until the start of the following year's District Championship.
- The final match in the Championship Flight will be a 36-hole match. All other flights, including the Championship Consolation Flight, will be an 18-hole match. All match play contests will be settled by sudden death.
- This tournament is a qualifier for the Past Presidents' Award and participants must "hole-out" and record their gross score on every hole.

- Scores from this event must be posted within 48 hours to qualify for the Past Presidents' Award.

Non-Championship Flights: For those who choose to play in a non-Championship Flight, the format will be as follows:

- The Player will be flighted and seeded based on Handicap Index from the Friday before the event. There will be three days of match play beginning Wednesday of Championship week.
- The Player may choose to play a practice round on Tuesday.
- The Player may skip the practice round on Tuesday.
- No matter which option is chosen, match play will begin the Wednesday of Championship week.
- The Player will be asked to indicate her intent during registration.
- The cost of the registration is the same whether a practice round is played or not.

Weather Interference

In the event that weather should limit the format as outlined above, accommodations will be made by the Host Pro in collaboration with the Host CWGA Representative.

Caddie Requests

In the event that the Host Club makes an exception to allow a player to employ her own caddie, that caddie may not be selected from the Host Club.

The Host Club Caddie Master or Pro Shop will assign caddies based on availability.

General Numerical Draw

Matches in all flights will be for eight players.

#1 vs #8

#2 vs #7

#3 vs #6

#4 vs #5

DRESS CODE POLICY

“The original goals of promoting fellowship and good sportsmanship among you is still uppermost in our plans. We are confident that with your support and enthusiasm CWGA’s fine tradition will continue.”

Betty Trump
1992 CWGA President

DRESS CODE POLICY

Appropriate golf attire is a tradition to the sport and is required while in attendance at any CWGA-sponsored event. It is also a sign of courtesy and respect to our member club(s). It is essential that we comply with all club requests specific to the requirements of proper dress code.

In that spirit, CWGA has reviewed the dress code of all our member clubs and has adopted a uniform dress code policy across the board. This should make it easier when questioning what is required by any given club.

The CWGA attire guidelines are as follows:

- Sleeveless shirts must have a collar or mock collar
- Collarless shirts must have sleeves and a banded collar
- Skirts, skorts, or shorts should be of an appropriate inseam length. Suggested inseam range of 6 – 12 inches or longer based on the height of the player
- Slacks or Capris

Improper attire is as follows:

- T-Shirts with inappropriate printing
- Halter or tank tops
- “Short” shorts, tennis shorts, cut-offs
- Mini-skirts or tennis skirts
- Exercise leggings / yoga leggings worn as pants (may be worn for warmth under a skirt or shorts)
- Blue jeans
- Swimming suits

Though today’s fashion may suggest other options, the CWGA follows guidelines for what is considered tasteful club attire. The attire is not only about tradition; it is also about etiquette. Being appropriately dressed demonstrates respect for oneself, the game, and those who enjoy it. When visiting our member clubs please use discretion when making your choices.
